Friends and Families,

Welcome to the Summer Camp ministry of Wayzata Community Church. Summer Camp is a transformative “rite of passage” in the lives of so many children and teenagers. It is a time that uniquely gives students a chance to experience life in community, unplugged from technology, while experiencing the gifts of nature and the life of faith.

Believing that each student is unique, unrepeatable miracle of God, we seek to welcome kids to join us for Summer Camp. Through a relational style of ministry it is our goal to provide each student with a personal encounter with Jesus Christ. We work hard to help everyone at camp see what their next step of faith is and all are welcome to explore faith in a safe and respectful environment.

Our unique style and philosophy of outdoor ministry is built on 5 central goals:

- **SAFETY:** first and foremost, everyone at camp is kept physically, emotionally and spiritually safe. From this foundation grows all our other goals.
- **FUN:** the best way to show a student that they are loved is to help them have good, clean fun – and lots of it! Fun builds trust, breaks down barriers and creates shared memories. We bake fun into everything we do at camp.
- **MESSAGE:** this is the “why” of Summer Camp. We will share an honest and compelling picture of God's love as we experience it through Jesus Christ. The Gospel should be the best news we ever hear – that we are loved and called to love others while we serve others, too.
- **AFFIRMATION:** we love every student, just as they are. Period. There are very few places in the world where kids can be themselves without anyone asking them to perform (academically, athletically, musically, etc.). Campers will know that they are free to be themselves and that they are whole-heartedly loved with no strings attached.
- **COMMUNITY:** one outcome of accomplishing the first four goals is a profound experience of Community. Camp relationships far often live on long past the camp experience.

We have another incredible summer planned for 2023. We will be back at the Chi Rho Center and we will be ready for all God will do through Camp this summer.

With joy!

The Camp and Family Ministry Team Staff

Camp Staff

CAMP DIRECTOR: STEVEN "NASH" OLAN

Steven "Nash" Olan is returning for his second year as Camp Director and is so excited for the next phase of camp! Nash has been part of many camps — but few as energetic and unique as WCC Summer Camp. WCC has a rich legacy of camp, and we hope to continue this legacy going forward!

Camp offers a great opportunity for Nash to merge all his passions and skills. Nash has an undergraduate degree from Crown College and is on track to complete a Master's degree in Transformational Leadership through Bethel University in fall of 2022.

So where does the name "Nash" come from? Well, as a High School ministry volunteer under Brian Jones, during one of the post youth group basketball games; Steven Olan made a behind the back pass and was bestowed with the nickname of the greatest basketball point guard of all time, Steve Nash. The nickname has been revived here to differentiate himself, as there are 3 Stevens on staff at WCC.

DIRECTOR OF HIGH SCHOOL MINISTRY: MIKE SOLBERG

Mike started working with the high school ministry at WCC last August. He brings over 10 years of camp ministry experience from his previous youth director role in Bloomington, and a number of years as a volunteer before that. Mike is passionate about creating space for honest conversations about faith and real life in a fun environment.

DIRECTOR OF MIDDLE SCHOOL MINISTRY: ANN HUNHOFF

Ann joined the staff at WCC in September of 2022. She graduated from Grand Canyon University with a Bachelor's in Christian Studies and Youth Ministry in the fall of 2022. Prior to joining WCC, Ann's career started as a Youth Missionary and Ministry Coordinator in 2020, and before that, she had camp experience as a two-time summer staffer at Ingham Okoboji Lutheran Bible Camp. Ann is passionate about camp ministry as it was instrumental to her own faith development and a stepping stone to her call to ministry.

DIRECTOR OF ELEMENTARY MINISTRY: JODIE NYBERG

Jodie Nyberg has been on staff at WCC for 20 years. She previously worked as an elementary school teacher in Arizona and for the Minnetonka Public School system. She has been a part of the summer camp program since the beginning and has seen firsthand the way camp ministry can be life-changing for children and youth of all ages.

ASSOCIATE CAMP DIRECTOR: ATTICUS HODGES

Atticus just recently graduated from the University of Minnesota-Duluth. He's excited to continue his work with the Camp Ministry after working the past 4 summers in various capacities. More than anything, he loves to share such a joyous experience with staff and campers, and see them grow. During his free time, taking in the outdoors outside of winter time is very important for him, but he also loves to cook, read, and exercise — but above all, he has a huge passion for film.

CAMP NURSE: MARY JANE HOCHSTEIN

My name is Mary Jane Hochstein, or MJ, as it is easier to shout and remember! I have been a Registered Nurse for 37 years, predominantly in the Emergency Dept., GI Nursing and Cardiology. This will be my eighth year as a Camp Nurse and I am very grateful for the opportunity to be part of the camp experience. Safety is top of the list — but I am also passionate about the lighted golf cart, nine square with the campers, and Hershey's Chocolate Bars. Oh, cannot forget coffee — I need coffee.

Additional Staff

Counselors & Summer Staff

Our staff of college-age young adults (and graduates) includes many of the faces that your children have seen and gotten to know through camp over the past summers. These young adults have many natural gifts, and will develop these through an intensive 6 day staff training, as well as daily meetings and guidance from the Camp Leadership Team. Through our careful selection process we recruit and train our staff in the important work of building relationships with kids. It is the heart of all that we do at camp. Our counselor to camper ratio is one counselor to every four campers.

Medical & Safety Team

We will have a nurse or doctor on the camp premises 24 hours of each day that camp is in session. Our medical team will be thoroughly supported to meet the medical and physical needs of each camper, including the treatment of illness or injury, administration of medicines from home, handling of any allergies, and coordination of any communication to parents, if necessary. Certified waterfront staff operate the swimming and boating area at all times. All of our waterfront staff are trained in Red Cross Water Safety to assure the best care and attention near the water.

High School Work Crew

We hope that incoming 10th-12th grade students consider serving through our Work Crew Ministry. Work Crew is an opportunity for students to experience an extended service-based faith experience. Each session consists of a small group of students who are devoted to serving God, the camp, and the campers. By doing much of the behind-the-scenes work that enables camp to run so smoothly, the participants learn how to give of themselves without seeking credit or praise. To fill out an application for Work Crew, visit our website at www.wayzatacommunitychurch.org/camp-work-crew.

Policy Concerning Campers Eligibility

We accept all individuals. We want to make sure that our camp reflects the wide open, inclusive love that we know through Jesus. Please visit our website to read our essential eligibility criteria: <https://www.wayzatacommunitychurch.org/summer-camp-registration>.

Registration Process

Beginning Wednesday, February 1, 2023 at 10:00 a.m., register online for Summer Camp 2023 at www.wayzatacommunitychurch.org/summer-camp-registration. If you have not created an account in Campsite already, you will begin by creating an account for your family, including all your 2023 campers. Have your campers current health immunization and insurance card handy when you go online, as this information will be required during the registration process. A non-refundable deposit of \$100 is required for each registered camper.

NOTE: We highly recommend that you create your family account in Campsite ahead of time, as this will make the registration process on February 1 more efficient.

Cabinmates

We recognize that a sense of security begins at the time of registration when kids can request other students to be their cabin mates. We offer a chance to request three cabin mates, and will go to great effort to accommodate at least **one** of these requests. However circumstances do arise that make it impossible to grant every request. Please be aware that groups are often divided between different cabins. All requests must be made 14 days prior to camp.

After registration is completed

1. Following the completion of enrollment in Campsite, including the \$100 deposit, you will receive an email confirming that your child is registered.
2. Changes made after your child has been registered for a camp session will be based on space and availability and require approval by the camp registrars. You may not change the registration of any child but your own. To request a change, send an email to Kathy at khandy@wayzatacommunitychurch.org.

Scholarships are Available

Financial challenges will never be an obstacle for campers to attend camp. Wayzata Community Church is pleased to offer scholarships to individuals in need of financial assistance. Complete a Scholarship application at www.wayzatacommunitychurch.org/summer-camp-registration.

Check-in & Return Procedures

All Camp sessions check in at 12:00 noon on the first day of your camp session. Check-in takes place in the East entrance at Wayzata Community Church, 125 Wayzata Blvd. East. A map to the church will be provided in your camp packet. All campers will be returned to the church at 12:30 p.m. on the final day of the session. (The bus may be 10-15 minutes delayed, based on traffic.) Cabin assignments will be communicated at check-in.

Transportation

Campers are transported to and from Chi Rho Center on school buses, operated by professional drivers. Please make sure that your camper's luggage makes it into the luggage trailer. Chaperones will be on each bus to ensure a positive experience on the way to and from camp.

Late arrivals/early departures

We strongly discourage partial camp experiences due to late arrivals and/or early departures. The experience of camp is designed with the expectation that all campers will be there for the entire camp session; any changes in the makeup of the camper population affects not only the absent person but all of those in camp. Any late arrivals or early departures must be approved by the Camp Director, at least 7 days prior to the camper's session.

Food & Lodging

All meals take place in the dining hall, with meals prepared by the kitchen staff, and served by the Work Crew.

Camp Store

Campers have opportunities each day to buy specialty items at the camp store. Clothing items and gifts, such as hats, t-shirts and sweatshirts range in price from \$5 to \$50. You will have the opportunity at check-in to put cash on to a "debit card", which will be kept at the Camp Store (preferred). Campers may also purchase items or snacks with cash. Parents should use their own discretion in the amount of extra money sent with their camper. Refunds will not be offered from the camp store.
